Idea:
- Scan the QR code at the entrance of gym and new gym-goers can join group chat and make new friends
- Share gym status to Facebook or Twitter
- Booking system for new gym-goers to book class and know when to meet other gym-goers
- Fill in personal information for friend recommendation
- Able to see other people typing in the chat box

Backing:
https://vigyr.com/improve-gym-member-experience/
https://shakuro.com/blog/fitness-app-gamification-in-2021-a-trend-you-cant-miss
https://simplygym.co.uk/the-key-to-making-friends-in-the-gym/

Draft UI design based on researches, observation and questionnaire.

Functionality 1:Group chat invitation & chat with new friends

Functionality 2: Book class in application to meet new friends
